Subject: re:code LA Zoning Advisory Committee (ZAC) members

It is my pleasure to announce the appointment of the twenty-one **re:code LA** Zoning Advisory Committee (ZAC) members. **re:code LA** is a five-year project to comprehensively rewrite the City's Zoning Code. The ZAC will play a vital role in that process by providing guidance on zoning policy direction. Represented interests include academia (environmental, transportation, and design), neighborhood organizations, social activism, business, and development. These individuals possess valuable expertise and unique perspectives on zoning and planning in the City of Los Angeles. I look forward to working with this outstanding team in the upcoming years.
